

## Want to go Paperless and not receive a bill in the mail?

Fill out the form below and we will send your next bill to your email address. Please be sure to check your junk or spam email folder for delivery around the 10th of each month. If you need to update your email address or phone number, please stop by the office or call 810-639-6168. As always, failure to receive a bill does not waive the past due penalty.
