Community Event Application

The City of Montrose is pleased to support its residents and individuals who wish to host Community Events in an effort to improve the quality of life and contribute to the economic vitality of the area's businesses.

In order to be deemed a Community Event, the event must:

- be open to the public.
- demonstrate a benefit to the City of Montrose community.
- have an estimated attendance of 50 + people.
- be non-discriminatory.
- be held within the City limits.

Any organization or individual proposing to conduct a Community Event is required to complete a Community Event application. Upon receiving the application, the City Manager (or his/her designee) will review the request to ensure the application is complete before it is presented to the City Council for approval. The application will **NOT** be presented to the City Council until all necessary information has been submitted.

Applications must be submitted two months in advance of the event to allow City staff and the City Council ample time for review and consideration.

The City Manager (or his/her designee) will distribute the application to all City departments for their review and comments. Depending on the size of the event, the applicant may be required to meet with City staff for a pre-event meeting to discuss the event. If this meeting is not required, the applicant may be contacted individually by any of the department heads if they have specific questions or concerns about the event.

At the time of application, the applicant must submit a certificate of insurance for the event in the following amounts:

- Public Liability Insurance with a minimum combined single limit of personal injury and property damage of \$1,000,000.00.
- All insurance must name the City of Montrose as an "Additional Insured."

If you have any questions regarding the submission, please contact the City Manager at 810.639.6168 or by email at: manager@cityofmontrose.us
