**Blueberry Park
237 S. Saginaw St.
Montrose, MI 48457**

In just a few hours you can make a difference that can last decades! Join us on Friday, October 7th as we plant 12 trees in the City of Montrose.

The City of Montrose is working to increase its overall tree canopy and provide environmental, health, economic and aesthetic benefits for its residents. These new trees will also serve to replace several large, old trees that had to be removed recently.

No experience is needed. Please wear closed-toe shoes, gloves and bring a shovel if you have one. Event occurs rain or shine - no experience necessary. See you there!
